## *To our graduates, families and friends,*

On behalf of our community of educators, I am pleased to welcome you to PennWest Edinboro's Spring 2024 Commencement.

Whether you are here to receive a degree or watch a loved one walk across the stage, you can be proud of what our graduates have accomplished. Earning a college degree is a significant achievement, and the Class of 2024 has pursued that goal with spirit and determination.

Today our graduates join an alumni network that is 201,000 strong. Members of the Pennsylvania Western University Alumni Association have many opportunities to stay connected to their university, their campus, and this nationwide network of accomplished and caring individuals. I encourage our newest alumni to keep in touch – as proud Fighting Scots, you are always welcome at Pennsylvania Western University.

Thank you for joining us today as we honor – and applaud – the PennWest Edinboro Class of 2024.

Yours,

A handwritten signature in white ink that reads "R. Lorraine Bernotsky". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

R. Lorraine Bernotsky, D.Phil.

**R. LORRAINE (LAURIE) BERNOTSKY, D.PHIL.**  
*Interim President, Pennsylvania Western University*

As Pennsylvania Western University's interim president, Dr. Bernotsky leads the second-largest public university in western Pennsylvania, with campuses at California, Clarion, and Edinboro.

Through the chancellor, and working with the PennWest Council of Trustees, she reports to the Board of Governors for Pennsylvania's State System of Higher Education.

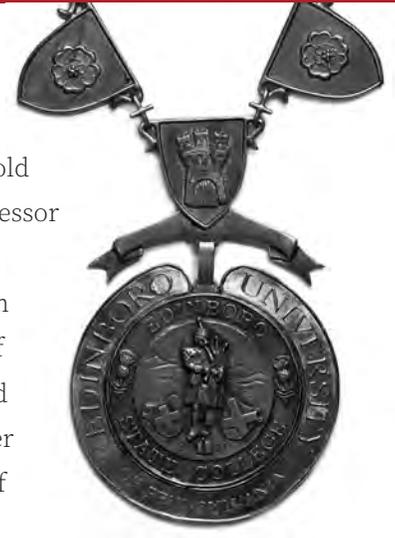

Before her presidential appointment on March 1, 2023, Dr. Bernotsky served Pennsylvania Western University as executive vice president and chief operating officer. Then, as now, she focused on academic and operational excellence, strategic enrollment management, and long-term plans for the university's future.

Dr. Bernotsky is on loan to Pennsylvania Western University from West Chester University, where she has been executive vice president and provost since 2017. In this role she led the Academic Affairs division and provided leadership in budgeting and labor relations. She also has extensive experience in undergraduate and graduate admissions, enrollment management, financial aid, student support services, curriculum development, program review, and assessment.

Dr. Bernotsky holds both a master's degree and a doctorate in politics from the University of Oxford and a master's degree in sociology from Temple University.

## PRESIDENTIAL MEDALLION

The first presidential medallion was presented to former President Foster F. Diebold during the May 1981 commencement ceremonies. Designed and executed by Professor Henry Katzwinkel, the sterling silver medallion consists of a three-and-one-half-inch pectoral pendant featuring on its face the figure of a Gordon Highlander with pipes. To the right of the piper is the Cross of St. Andrew. To the left is the Cross of England. Flanking the figure is the date 1857, the opening year of the campus, and garland thistles. In the background are the hills of Scotland, and beneath the piper is an open book, a symbol of knowledge. On the reverse side is the sunken crest of the Commonwealth of Pennsylvania.

The pendant descends from a shield containing a triple-towered castle. The collar of the medallion is composed of a series of two-inch shields, alternately bearing three different designs: the meigle, an interlacing knotwork peculiar to the Pictish school of Celtic art; the Tudor rose design; and “ESC” in interlocking letters on a background of tabby weaving. Connecting each of the collar shields is a Cross of St. George, representing the union of Scotland and England.

The entire medallion was fabricated and cast in the cire perdue (lost wax) process.

Surrounding the silver medallion is a gold crafted circle that reads “Edinboro University of Pennsylvania.” Professor Katzwinkel added this piece to the medallion especially for the inauguration of President Frank G. Pogue in 1997.

## THE CEREMONIAL MACE

The ceremonial mace, a symbol of presidential authority, is carried at the head of the academic procession by the Mace Bearer. A gift of the Alumni Association, the mace was designed and executed by Professor Henry Katzwinkel and Dr. Seymour Blinderman, former chairman of the Art Department. It was first used at the inauguration of Edinboro State College by President Chester T. McNerney, in 1967.

The mace, 27 inches in length, is topped by a sterling silver sphere studded with circular cabochon rubies, secured by bezels. The collar of the mace is inlaid with ebony, alternated with silver relief fleur-de-lis design elements. Cultured pearls mounted in cups encircle the bottom of the collar. The shaft of the mace is composed of Brazilian rosewood sections, separated by sterling silver rings. The mace is terminated by a cast sterling silver finial; the five cultured pearls represent the existing curricula. The rib-like cone form is terminated by a small silver sphere symbolizing the world.

The metalworking processes incorporated in the ceremonial mace include turning, forging, inlaying, stone setting and lost wax centrifugal casting.

## ACADEMIC ATTIRE

The academic attire worn at university ceremonies today in the United States dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top that gradually evolved into a tassel. In this country, it has been replaced by the familiar mortarboard, which still retains the medieval tassel.

The hood originally was worn over the head and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctive colored hood-lining by which its graduates may be recognized.

### GOWNS

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor's and master's gowns are fashioned from black serge. The yoke for the bachelor's gown is designed to be worn closed and features long, flowing and pointed sleeves. The master's gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctorate has bell-shaped sleeves, with velvet facing down the front and on three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

### HOODS

The hood is usually worn only for the master's and the doctorate. The doctor's hood is longer than the master's hood and has distinguishing panels. The college or university granting the degree is indicated by the color of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted; those colors are listed on the next page.

### CAPS

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master's degree and is worn over the left front quarter of the cap. The doctoral cap is indicated by a tassel of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred.

## COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

*Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:*

|  |                                     |   |

The cord symbolizes the important role that our alumni serve in strengthening the university.
