

COMMUNITY COLLEGE OF ALLEGHENY COUNTY  
PURCHASING DEPARTMENT  
800 ALLEGHENY AVENUE, PITTSBURGH, PA 15233

**ADDENDUM 2**  
**BID PROPOSAL NO. 1147**  
**PAVING OF BOYCE CAMPUS NORTH (CDL) PARKING LOT**  
**FEBRUARY 3, 2026**

The following additional information is hereby made a part of this bid:

\*\*\*\*\*

**Asphalt plants usually open around April 1. Can the project April 1 timeline be extended?**

**Yes. Project should be started as soon the plants open and completed within 1-2 weeks.**

**Is there an estimated quantity of line striping?**

**Not specifically at this time. There may be a 10 to 15 parking spaces but then there will also be the required striping/pavement painting for the CDL testing course.**

**Will the CDL training program be suspended while repaving is taking place and will vehicles/trailers be moved?**

**This will need to be done to accommodate the paving. CCAC will intend to address this.**

**Is there any place on the campus for the millings to be dumped?**

**There is the option to reuse the millings onsite for some minor parking lot creation. An alternate deduct has been added for "millings to remain on site for potential reuse". Use the attached, revised bid sheet when submitting your bid.**

**See the attached sign in sheet from the mandatory pre-bid meeting.**

**End of Addendum 1**

\*\*\*\*\*

Sign addendum and return to the College with your response.
