

COMMUNITY COLLEGE OF ALLEGHENY COUNTY
PURCHASING DEPARTMENT
800 ALLEGHENY AVENUE, PITTSBURGH, PA 15233

ADDENDUM NO. 1
RFQ NO. 260604
INSTALLATION OF COCRETE SLABS FOR MASCOT STATUES (FOUR SITES)
JUNE 2, 2026

The following additional information is hereby made a part of this RFQ:

See the attached for locations where each slab (statue) will be placed.

North, Boyce and South locations are right at the entrance drive and are readily accessible to small or medium sized trucks. The Main (Allegheny) Campus location would be accessible via sidewalks using a small, motorized vehicle such as a Kubota or buggy of some sort, but it is not directly on a road or access drive for vehicles/trucks.

Per the engineering drawings, the walks (at Boyce, North and South) are to be sawcut, to the dimension of the slab.
