

**Practical AI for Growing Businesses:
Turning Organizational Knowledge into Competitive Advantage**

Regional Learning Alliance
850 Cranberry Woods Dr.
Cranberry Twp., PA 16066
July 21, 2026

Lunch and Learn Hybrid Event

In-person registration begins at 11:30 a.m.
Program is from Noon – 1:30 p.m.

This is a hybrid event available both in-person and virtually. In-person spaces are limited...register today to reserve your spot!

Join us on July 21st to learn about using AI to increase your competitive advantage. Our speakers will discuss the rapid evolution of AI, the misconceptions associated with it, and how to use it to retrieve knowledge, analyze proposals, improve your processes, and gain business insights. They will review private and public AI tools, ways to protect your sensitive information and the use of practical governance and guardrails.

Lunch will be provided for in-person attendees.

Speakers

Wayne Hippo, Chief Strategic Officer – PS Solutions

Bruce Moser, Chief Technology Officer – PS Solutions

Register by July 20, 2026, at <https://cupgaco.ecenterdirect.com/events/988>.
