

# Doing Business with the Commonwealth of Pennsylvania

Virtual Webinar on Monday, September 29, 2025 from 1:00 pm - 2:30 pm

Join us for a comprehensive session designed to help businesses navigate the Commonwealth's procurement process, access potential contracting opportunities, and take advantage of valuable state programs.

## What You'll Learn

### General Commonwealth Procurement

- How to register as a vendor
- Finding contracting opportunities through eMarketplace, PA Supplier Portal, and eAlerts
- Understanding JAGGAER and Invitation to Qualify (ITQ) contracts – and how they can benefit your business
- Navigating other key portals: PennDOT Engineering and Construction Management System, eProcurement (Rented Equipment ITQ), Department of General Services eBuilder, Department of Conservation and Natural Resources, and Department of Environmental Protection
- Small Business Certification

### COSTARS

- How the COSTARS cooperative purchasing program works
- How to become a COSTARS supplier or member
- The benefits of participating in COSTARS

### Q&A Session

- Get your questions answered directly by procurement experts
