

As part of our efforts to better communicate with our small, small diverse and veteran businesses, the Bureau of Diversity, Inclusion, and Small Business Opportunities is reaching out to remind you to check out the listing of upcoming DGS solicitations for goods & services, and construction projects. It is our hope that this outreach will give you the awareness of what contracting opportunities are on the horizon and help you plan out for which opportunities you would like to potentially compete.

To view upcoming procurements and their projected issue dates, visit [www.emarketplace.state.pa.us](http://www.emarketplace.state.pa.us) > Upcoming Procurements. For a list of upcoming construction bidding opportunities, visit the DGS Design and Construction Bidding page at [www.dgs.pa.gov/Design-and-Construction/Bidding/Pages/default.aspx](http://www.dgs.pa.gov/Design-and-Construction/Bidding/Pages/default.aspx).

Please note the information in each of the lists is for awareness and is considered preliminary until officially issued.
