**For parking, enter through Gates 2 and 1 to park in the West Lot. Look for the large solar panel in the center of the lot and park in that area. There is a walking bridge between lots W-6 and W-8 that will take you from the lot directly to the side entrance of The Cooper Building. Attendees do not require any type of parking pass to park in the West Lot. If you require a handicapped parking space, please enter through the service entrance, that runs directly behind the building.*
