

## ERDC-WERX and the DoD's/DoW's Critical Technology Areas Webinar

Innovation hubs of DEFENSEWERX, provides a streamlined path for companies and innovators to collaborate and work with the U.S. Army Engineer Research and Development Center (ERDC). ERDC events, technology challenges, and other opportunities make it easier and faster for companies and innovators to propose solutions for consideration by ERDC and the agencies it works with.

**You are invited to attend a FREE virtual session to learn more about the U.S. Army's ERDC~WERX Program**

Join guest speaker, Jason Courtney, Innovation Project Manager of ERDC~WERX and Panelists for **Discussion on how ERDC~WERX promotes Innovation, Collaboration and Acceleration to address the Department of Defense/Department of War Critical Technology Areas (CTA's).**

**May 6, 2026, 9:30AM – 11:00AM EDT**

**Free to attend, but you must register:**
