

GACO APEX Accelerator Webinar:

FOCI Explained: Navigating Foreign Ownership, Control or Influence in the Facility Clearance Process

March 4, 2026
10:00 – 10:45 a.m.

Understanding the complexities and regulations of Foreign Ownership, Control, or Influence (FOCI) is critical for businesses seeking to obtain or maintain a government facility security clearance. This webinar will provide an overview of how foreign business interests can impact the security clearance process, and examine the risks and challenges associated with foreign ownership, control, or influence.

Topics

- *Overview of FOCI.*
- *Risks and Challenges of Foreign Ownership.*
- *FOCI Mitigation Strategies.*
- *FOCI Compliance Requirements.*
