**WHEN: Wednesday, May 7, 2025**  
Registration begins at 8:30 AM  
Program will run from 9:00AM – 3:00PM with lunch provided

**WHERE: Fayette County Maintenance Office Classroom**  
825 N Gallatin Ave Ext, Uniontown, PA 15401

**This event will be a hands-on workshop to help vendors register to do business with PennDOT and DGS and to learn about business opportunities.**

In addition to highway construction and engineering consulting, PennDOT procures a wide variety of supplies and services to deliver its multi-faceted mission. The event will feature opportunities for collaboration, discussion, and interaction between PennDOT, DGS and the small business vendor community.

Our goal is to help small businesses gain a better understanding of the procurement process; how to identify, prepare, and respond to bidding opportunities; and share resources to enable small businesses to make informed decisions regarding Commonwealth of PA contracting.

Spaces are limited—only one attendee per business may register.
