

SBA Mentor Protégé Program (MPP)

Webinar

Sept. 11, 2025

10:00 a.m. – 11:30 a.m.

Are you looking for a way to develop your business and take it to the next level?

Your business can learn from experienced government contractors through SBA's Mentor Protégé Program (MPP). The program helps eligible small businesses (protégés) gain capacity and win government contracts through partnerships with more experienced companies (mentors). Protégés can gain valuable business development insight from their mentors in key areas such as business management systems, contracting, financial assistance, and international trade.

Topics

- *What are the MPP program benefits? What are the necessary qualifications?*
- *What is the application process?*
- *How do I maintain compliance?*
