### Important Disclaimers:

- A. As part of the Accelerated program, students may apply up to 40% of the graduate program credits to satisfy the requirements of the undergraduate degree and the graduate degree. Accelerated students may register no more than 6 graduate credits in any one term, and in terms of when a graduate course is registered, the student may not register for more than 18 total credits.
- B. It is the student's responsibility to apply and meet the qualifications of the graduate program portion of your accelerated program.
- C. It is the discretion of the university to determine when graduate courses are offered.

### Financial Aid Precaution:

- Because all student aid packages are different, students must meet with the Financial Aid Office to discuss any impact graduate course enrollment may have on their financial aid eligibility.

### Note to approved students:

Once accepted into an Accelerate Program:

- An [Accelerated Registration form](#) will need to be submitted **each term** to be able to register for courses.
- Students must collaborate with their UG Advisor to complete and submit the Accelerated Registration form for processing.
