JON ANDERSON, PH.D.
President, Pennsylvania Western University

Dr. Jon Anderson began his term as the second president of Pennsylvania Western University on July 1, 2024, leading the institution into an exciting era of growth and innovation. As the second-largest public university in western Pennsylvania, PennWest serves 10,834 students and boasts a proud network of 203,000 alumni across its campuses.

A growth-oriented and collaborative academic leader, Anderson brings extensive experience in multi-campus leadership, prioritizing student success, streamlining budgets, optimizing enrollment, and fostering shared cultures. Before joining PennWest, he served as provost and vice president for academic affairs at Southern Utah University, a regional institution with more than 15,000 students. His career also includes leadership roles at Middle Georgia State University and the University of West Georgia, where he advanced academic initiatives and institutional success.

Under Anderson's leadership, PennWest has already achieved remarkable milestones, including an increase in retention, a 9.5% increase in online enrollment, and a 9.4% rise in new graduate enrollment during the fall 2024 semester. The university also secured a \$3.2 million gift for early childhood education and launched the PennWest Center for Artificial Intelligence and Emerging

Technologies, positioning itself at the forefront of innovation and community engagement.

An advocate for connection and dialogue, Anderson hosts The Power of PennWest podcast, where he engages with students, faculty, alumni, and staff to share stories and insights that shape the university.

Anderson holds a Ph.D. in Business Administration from the University of Kentucky, a master's degree in Business Education from the University of West Georgia, a Bachelor of Science in Sociology from Utah State University, and an associate's degree from Ricks College. Recognized as one of Pennsylvania's most influential leaders in City & State's 2024 PA Fifty Over 50, he is committed to empowering students and advancing PennWest's mission to serve its communities.

Residing in Clarion with his wife, Kristy, and their son Bryce, Dr. Anderson also spends time on the California and Edinboro campuses, embodying his hands-on leadership style. The Andersons are proud parents of seven children and grandparents to seven granddaughters.

Anderson was officially inaugurated on December 6, 2024, marking a new chapter in PennWest's legacy of transformation and excellence.

PRESIDENTIAL MEDALLION

Medallions, or chains of office, have served for centuries to commemorate special events or to recognize meritorious service or conduct. Chains of office are worn by a university president on ceremonial occasions as part of the regalia. The chains can be made of bronze, sterling silver or gold plate, and are usually anchored by a large medallion.

The University Seal forms the centerpiece medallion of the ceremonial chain that is worn by the president of Pennsylvania Western University.

The medallion pictured here was graciously given to University President Jonathan R. Anderson by the Foundation for California University of Pennsylvania, Clarion University Foundation, Inc., and Edinboro University Foundation at President Anderson's inauguration on December 6, 2024.

THE CEREMONIAL MACE

Vulcan, the Greek god of fire and metalworking, lifts a hammer high over his head, preparing to strike an anvil which is draped with a triangle inscribed with the words “education, research and service.” He holds the triangle in place with tongs; his face fierce with determination, he kneels at the forge. Captured forever in the act of creation, this Vulcan is memorialized on the university mace created by artist Thomas Shimrock of Grantsville, Maryland. His interpretation of the California mascot, cast from six pounds of silver, sits proudly atop a 52-inch-high wood mace that made its debut at California University's 147th commencement.

Mr. Shimrock was commissioned to design and create the mace, a display cabinet and a carrying case by the Foundation for California University. Crafted from bubinga wood, the cabinet holds the mace upright within its circular confines. Three graceful bubinga supports, stretching upward from delicately carved ebony ovals, each topped with a different hand-cast silver finial, cradle the circular cabinet body, made up of two curved glass windows and a curved ebonized anegre wood door set in a bubinga wood frame. The carrying case is made from quarter-cut sycamore lined with velvet.

The university mace, carried by a senior faculty member in all formal academic processions, is on permanent display in the lobby of the Louis L. Manderino Library.

ACADEMIC ATTIRE

The academic attire worn at university ceremonies today in the United States dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top that gradually evolved into a tassel. In this country, it has been replaced by the familiar mortarboard, which still retains the medieval tassel.

The hood originally was worn over the head and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctive colored hood-lining by which its graduates may be recognized.

GOWNS

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor's and master's gowns are fashioned from black serge. The yoke for the bachelor's gown is designed to be worn closed and features long, flowing and pointed sleeves. The master's gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctorate has bell-shaped sleeves, with velvet facing down the front and on three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

HOODS

The hood is usually worn only for the master's and the doctorate. The doctor's hood is longer than the master's hood and has distinguishing panels. The college or university granting the degree is indicated by the color of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted; those colors are listed on the next page.

CAPS

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master's degree and is worn over the left front quarter of the cap. The doctoral cap is indicated by a tassel of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred.

COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – <i>Maize</i>	Fine Arts – <i>Brown</i>	Philosophy – <i>Dark Blue</i>
Architecture/Planning – <i>Blue</i>	Foreign Affairs – <i>Aquamarine</i>	Physical Education – <i>Sage Green</i>
Arts, Letters, and Humanities – <i>White</i>	Forestry – <i>Russet</i>	Psychology – <i>Antique Gold</i>
Business – <i>Drab</i>	Journalism – <i>Crimson</i>	Public Administration – <i>Peacock Blue</i>
Criminal Justice – <i>Midnight Blue</i>	Law – <i>Purple</i>	Public Health – <i>Salmon Pink</i>
Chiropractic – <i>Silver</i>	Library Science – <i>Lemon</i>	Science – <i>Golden Yellow</i>
Dentistry – <i>Lilac</i>	Medicine – <i>Green</i>	Social Work/Social Science – <i>Citron</i>
Economics – <i>Copper</i>	Music – <i>Pink</i>	Theology – <i>Scarlet</i>
Education – <i>Light Blue</i>	Nursing – <i>Apricot</i>	Veterans – <i>Red, White and Blue</i>
Engineering – <i>Orange</i>	Oratory – <i>Silver Gray</i>	Veterinary Science – <i>Gray</i>
	Pharmacy – <i>Olive Green</i>	

HONORS DESIGNATIONS

Summa Cum Laude – <i>Gold Stoles</i>
Magna Cum Laude – <i>White Stoles</i>
Cum Laude – <i>Red Stoles</i>
Associate Degree with Distinction – <i>White Cords</i>
Pennsylvania Western University Honors Program – <i>Gold Medallions</i>

PHILANTHROPY RECOGNITION

Pennsylvania Western University Advancement recognizes students who demonstrate their generosity and commitment to their alma mater as they transition from student to engaged alumni. To earn this red tassel and/or red or white cord, students must participate in their first alumni event by making a gift through the Pennsylvania Western University – California Gift Drive. The tassel and cord symbolize the important role that our alumni serve in strengthening the university.

Appearance of a name in this program is presumptive evidence of graduation. However, the list of graduates included in the program is not intended to be used as an official indication of graduation. The official transcript, issued by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is conclusive testimony to the possession of a degree.

ALMA MATER

California, alma mater
Now we sing to thee
California, dear forever
In our memory.
With our voices loudly ringing,
Of thy fame we're ever singing.
California, alma mater;
Hail! All hail to thee.

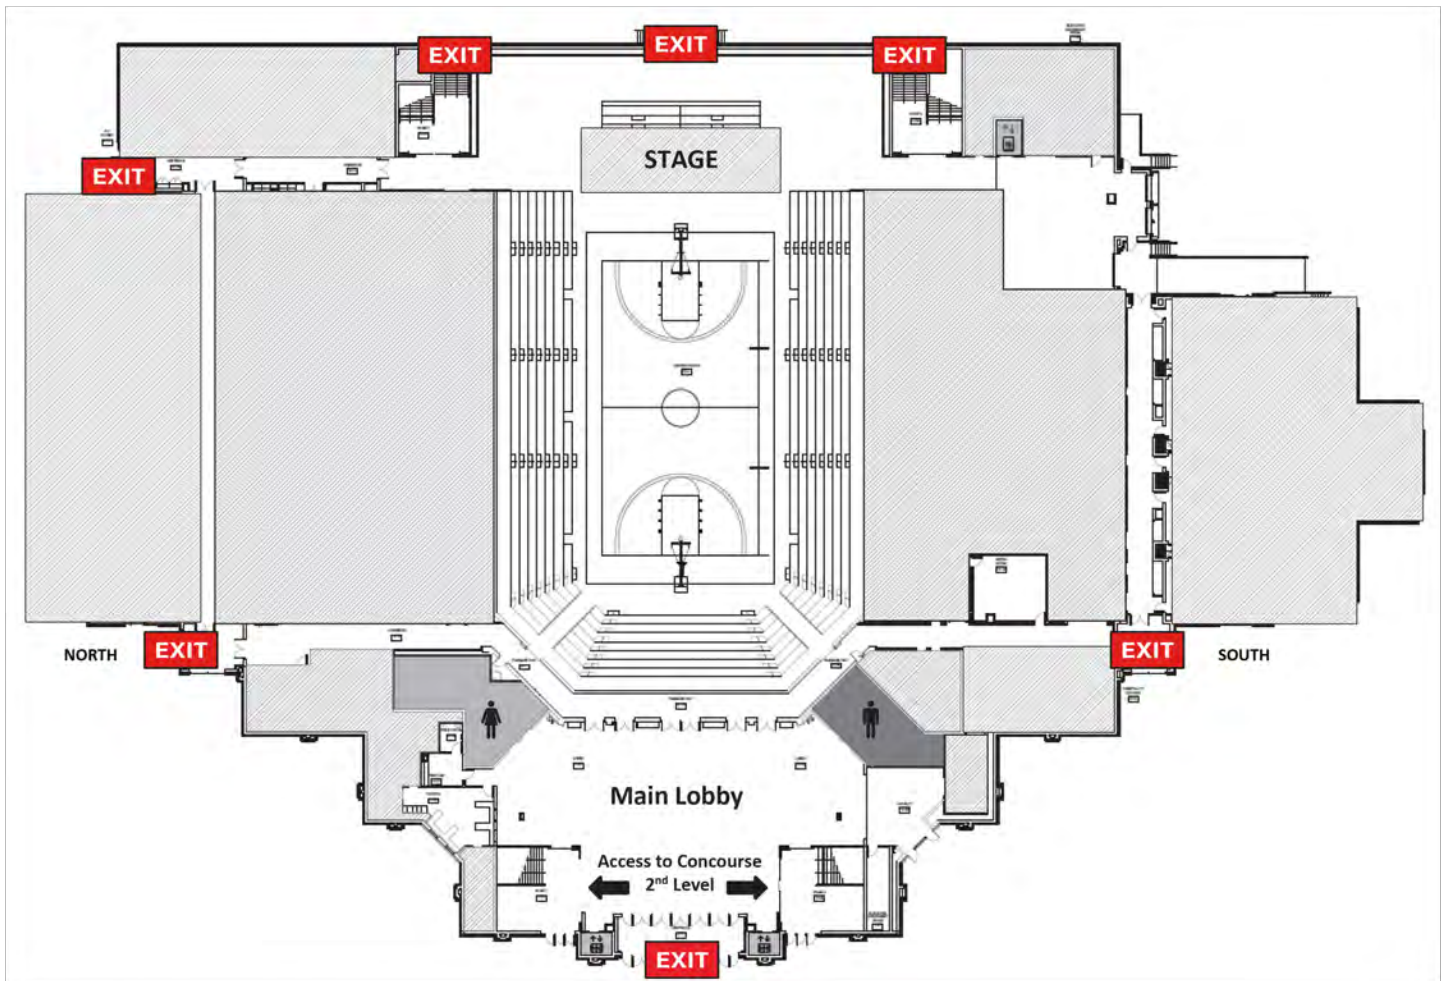

For the friends and joys you gave us,
We give thanks to thee
All thy knowledge we'll make worthy
For Posterity.
May thy reign be ever prosperous
And thy name forever glorious.
California, alma mater;
Hail! All hail to thee.
