

Spring 2026 Advising Day - March 18

Faculty Checklist

Before Advising Day

- Reach out to advisees in advance to schedule advising meetings.
- Provide alternative assignments, if appropriate and aligned with course needs, to support student participation in Advising Day programming.

During Advising Meeting

- Review remaining degree requirements in Degree Works.
- Discuss academic goals, career interests, internships, experiential learning, and co-curricular involvement.
- Explain the registration timeline and next steps.
- Encourage students to check for and resolve any hold prior to the first day of registration.
- Utilize the Contact Blitz Directory to connect students with campus offices (Financial Aid, Registrar, Student Accounts, Success Coach, etc.) as needed.

After Advising Meeting

- Document the advising conversation in Degree Works and lift advising holds by March 30.
- Share the Advising Day QR Code with participating advisees for tracking purposes.
