

# PENNSYLVANIA WESTERN UNIVERSITY

## ASSOCIATE OF SCIENCE IN NURSING

### Admissions Information

The two-year Associate of Science in Nursing (ASN) program begins every fall at PennWest Clarion and the Somerset County Education Center and prepares students for the NCLEX-RN exam to become registered nurses. The program is fully accredited by the Accreditation Commission for Education in Nursing (ACEN) and holds full status with the Pennsylvania State Board of Nursing.

Classes are held on-site during the day up to five days per week, with clinical rotations up to 12 hours per week at facilities within a 50-mile radius. Space is limited to 65 students at Clarion Campus and 30 students at the Somerset site, and admission decisions are made on a rolling basis. Priority admission review will be granted to students who complete applications and submit all supporting documentation by May 15 annually.

Applicants who are not eligible for admission to ASN may be eligible to start in a preparatory major.

### ADMISSION REQUIREMENTS

- **GPA:** at least 2.75 on a 4.0 scale.
- **High School English:** 4 units.
- **High School Social Studies:** 3 units.
- **High School Science:** Biology *and* one additional science, chemistry preferred, with a C or higher.
  - College Biology, Human Biology, Microbiology and Anatomy may also be considered in place of high school Biology.
  - College General Chemistry, Physical Science Chemistry, or Chemistry for Allied Health may also be considered for the additional science requirement.
- **High School Math:** Algebra II or higher with a C or higher.
