

Doctorate in Education Administration and Leadership

Develop the Necessary Competencies to Lead Your District

This Program is for You if...

You aspire to hold a leadership position within an educational institution. The Doctorate in Education Administration and Leadership Program at PennWest is designed for individuals passionate about driving systemic improvements and educational reform, seeking to deepen their understanding of educational policies and their impact on learning environments, with a focus on fiscal responsibility and applied research in the educational setting. If you are dedicated to developing as a leader and apply research in the educational setting, this program will prepare you to make a significant impact in your field.
