

Superintendent Letter of Eligibility

Develop the Necessary Competencies to Lead Your District

This Program is for You if...

You aspire to become a district-level leader within the K-12 school system. The Superintendent Letter of Eligibility, Post-Masters Certificate at PennWest equips individuals with the essential skills and knowledge to excel as a superintendent through coursework focused on superintendency theory, strategic planning and educational leadership, complemented by practical internship experiences. If you're dedicated to fostering inclusive educational environments and driving systemic improvement, this program will prepare you to make a significant impact on K-12 education.
