

## **ADDITIONAL COST ACKNOWLEDGMENT**

I, \_\_\_\_\_, will review the aircraft rental and instruction rates for the chosen flight school portion of the degree. I understand that the costs from the flight school are for the flight school portion of the degree only. I also understand that the costs are for planning purposes and are subject to change. I understand that financial aid may be available to those who qualify, based on credit worthiness.

I understand that I will be responsible for paying the chosen flight school directly for costs incurred during training, including, but not limited to aircraft rental, instructor fees, flight school tuition, flight school books, and FAA exams.
